4 x New vertical stainless steel AISI316L tanks from 3,000 L - 8,000L and 9,000L

Project presentation:

In our custom-build department, these tanks were completely custom-built for a customer in the food industry.

-> We can also adapt standard tanks from our stock to your wishes and needs.

These tanks were designed in consultation with the customer.

The tanks are provided with all necessary documents and certificates;

EN13920 - ISO 13920 - EN1672 - EN10088 - DIN EN ISO3834-2 - ISO9601 -
