Transport

Some pictures of our tanks on trucks. Over the years we have delivered quite some tanks, the transportcompanies and their truckers have become good friends. Once we started out with stock nr 1, today we are at stock nr 8724 !!
We are very passionate about tanks, but we are also passionate about tanks on trucks. On avarage we have delivered 1.000 tanks per year since we started 8 yrs ago... and they all needed to hit the road.
